

# B05: WHO Uses Wantware

Considers types of use and frequency for efficiency and comfort.

Usecase	Description	Examples
Understand	Ask questions at different levels of detail	Why did that picture dissapear? Who has read this text?
Tweak	Make small cosmetic/form changes	Change the hair color to red! Move it a bit to the left.
Edit	Make large behavioral/function changes	Let's modify earth weather to simulate a stomach's gases/temp/cycles.
Create	Create entirely new concepts	Let's put an EEG cap on a dog to train and correlate brain-events to language with a speech synthesizer.
